

WCA global conference reached a record-breaking of attendance

The 11th Annual WCA Worldwide conference was held in Singapore on March 18-21, 2019 with the participation of 2800 delegates from 100 countries.

Chairman of WCA, Mr. David Yokeum delivered opening speech at Panel Session

One of the main topics of this conference relates to the future and the digitalization of logistics and logistics services. Topic "The future for freight forwarding and digital logistics - How to apply technologies and new digital solutions to enhance your business capacity" has received positive attention from companies attending the conference.

There are 37 companies from Vietnam with 69 delegates including VLA members such as

T&M Forwarding Company (a founding member of WCA), ASL, Indo-Trans Logistics, Sun VN, Saigon Newport Corporation, VNT Logistics, Voltrans, ... participating in this conference.

Also in this conference, WCA has updated members on the new developments and benefits such as online digital tool for air documents, carrier liability insurance services, TransferMate – a new international payment program to reduce costs in payments among members, and especially is the establishment of WCA Academy (WCA Academy) which aid members with a comprehensive suite of certified logistics training on GDP Pharma (logistics for pharmaceutical products), Perishables (logistics for perishable goods), ...

Vietnam Business Logistics Association (VLA) members at the Conference

More than 75.000 face-to-face meetings between participants took place at the Suntec Singapore Convention and Exhibition Center.

Coinciding with the main session are in-depth topics seminars on e-commerce with three main topics: Licensing program on capable certification of e-commerce, build an online e-commerce community to share information, experiences in developing service and new ideas for the plug-and-play last mile concept.

In the framework of the conference, being a founding member and a certified member of WCA e-commerce from

Forwarding*

Vietnam, T&M Forwarding has proposed a low-cost solution for members (with the combination of airfreight services with last mile delivery) for export cross-border e-commerce receiving a great welcome and interest in WCA e-commerce as an effective collaborative model in the network.

This is the third time the WCA Global Conference was held in Singapore (2017, 2018 and 2019). In 2020, the 22nd conference will be held for the first time in Macau.

WCA is a global network of largest forwarding companies with over 7000 members in over 840 cities worldwide established in 1998. Currently, WCA has more than 220 members from Vietnam.

WCA e-commerce is the newest network of WCA, which is a neutral platform of more than 300 members who have cross-border e-commerce services. Representing Vietnam, T&M Forwarding is a founding member and the first Asian member of WCA as well as a certified member of WCA e-commerce. /.
